How do I enroll for a corporate membership?

You can enroll for a corporate membership at the corporate program website: <https://corporate.goodlifefitness.com>.

How do I renew my corporate membership?

If you pay bi-weekly or monthly for your membership, you will not receive a renewal notification. Your membership will automatically continue on a month-to-month basis.

If you paid upfront, and in full, for a one-year membership, a reminder email will be sent to the personal email address used to create **your GoodLife member account**, provided you have not unsubscribed from GoodLife emails. You will receive this email 35 days prior to your membership expiry date. Once received, please visit <https://corporate.goodlifefitness.com> to renew your membership. Please note: your renewal cannot be completed more than 35 days prior to your membership expiry date.

Can I cancel my corporate membership?

Memberships that are paid either bi-weekly and monthly are 'no-commitment' memberships and may be **canceled at any time with 30 days' notice**. LOG IN to the GoodLife Member area of the GoodLife website at <https://www.goodlifefitness.com/home.html>. This can also be completed through our **Member Experience Department** at 1-800-387-2524 or corporateprograms@goodlifefitness.com. The paid-in-full membership option is a one-year membership commitment term and cannot be canceled.

Please note: Each member is responsible for canceling their own membership (if this is an option); the Primary Member (the person eligible for the corporate program) cannot cancel any family membership(s) attached to their account but can remove the family member's membership billing from their account by contacting the **Member Experience Department** at 1-800-387-2524 or corporateprograms@goodlifefitness.com. The family member's membership rate will increase to the regular membership rate for that membership type and a method of payment for their membership will need to be provided.

Can I place my corporate membership on hold?

If you have a membership you pay for bi-weekly or monthly, you may place it on hold for a minimum of four weeks/one month to a maximum of six months per calendar year. Some membership types include Free Holds and others may require you to pay a fee to place your membership on hold.
