

CALL FOR NOMINATIONS

Ralf Jarchow Community Service Award

In September 2015, while completing a bicycle fundraiser for Peel Memorial Hospital, Ralf Jarchow tragically passed away in British Columbia. Ralf was a founding partner of Prouse, Dash & Crouch, LLP, a longtime member of the PLA and other local organizations as well as a Peel resident – his involvement, contributions, and support to the community were deep and widespread.

The *Ralf Jarchow Community Service Award* has been established by the Peel Law Association in recognition of the outstanding contributions and support Ralf devoted toward many organizations in the Peel community.

As a further recognition and celebration of how Ralf lived his personal and professional lives, the PLA has created this award in order to recognize a PLA Member's work as a volunteer and/or their service to the Peel community.

In **2017** the Board of Directors presented the *Ralf Jarchow Community Service Award* to Robert Callahan.
